Subject: Notification of Earthquake Incident

To: President
The Stock Exchange of Thailand

In reference to the recent powerful earthquake centered in Myanmar, which has had an impact on certain areas of Thailand, particularly Bangkok, PanelesMatic Solutions Public Company Limited (the “Company”) would like to express its deepest condolences to those affected and to the families of those who have suffered losses due to this incident.

However, the Company would like to inform that it has not incurred any damage nor been affected by the incident. All employees are safe. Furthermore, all parties can still contact the Company through the usual communication channels as specified.

Please be informed accordingly.

Sincerely yours,

PanelesMatic Solutions Public Company Limited

- Mr. Somsak Prikboonchan -
